# Letter of Recommendation

9 January 2025

To Whom It May Concern,

It is my pleasure to recommend Thomas Ege, who worked at Beliani (International) GmbH as a Translator & Copywriter from 8 March 2022 to 10 January 2025.

During this time, Thomas was responsible for a wide range of translation, copywriting, and proofreading tasks in Norwegian. His responsibilities included translating marketing content, social media posts and newsletters, optimizing content for SEO, and ensuring the highest quality of marketing copy.

Thomas demonstrated efficiency, intelligence, and initiative, enabling him to deliver quality work while meeting deadlines. He excelled in both independent and collaborative settings, utilizing his time management and organizational skills to achieve great results.

Beyond his professional abilities, Thomas proved to be reliable, approachable, and trustworthy. His communication skills ensured smooth collaboration, which was particularly critical as his position was fully remote. Working within a subteam of three, Thomas fostered a positive and supportive atmosphere in the Norwegian cluster, always willing to assist colleagues and contribute to a cohesive team environment.

I am confident that Thomas will bring significant value to any organisation. His dedication, combined with his diverse skill set, makes him well-prepared to excel in challenging roles.

Sincerely,

Katarzyna Gościńiec-Szczuplak  
Content Marketing Manager
